We're Ownership Connect.

A financial and business education platform for African diaspora professionals in the US.

- **Learn** Information
- **Access** Capital
- **Explore** Opportunities

Talent isn't the gap. Access is.

Our community is full of talent, ambition and drive. But too often, three things are missing:

- **Reliable information**
- **Access to capital**
- **The right opportunity**

OUR MISSION

Help our community create multiple sources of income.

Connect African diaspora professionals with the information, capital and opportunities to start businesses, buy businesses and invest in real estate, so they can create multiple sources of income and build lasting wealth.

For ourselves, our families and our communities.

How we close the gap

Learn — Clear lessons on business, capital and investing

Access — Connections to lenders, experts and partners

Explore — Business and investment opportunities to create multiple sources of income and build lasting wealth
