WHAT FOUNDING PARTNERS DO

1 Teach

Share your expertise in interviews, explainers and The Ownership Brief.

2 Connect

Meet professionals who are ready to act, at the start of their journey or ready to grow.

3 Shape

Help design the platform and programs from day one.

WHY NOW

Founding partners are the first names our community will know and trust.

We're building this from the ground up, and the first partners will be recognized as founding partners.

We achieve more when we learn and grow together.

Together, we can help more African diaspora professionals build multiple sources of income, acquire income-producing assets and create lasting wealth.

Let's talk.
